The First Annual Gala

May 1st, 2022
1:00 PM - 6:00 PM
Bowers Museum in Santa Ana, California
Norma Kershaw Auditorium

The Vietnamese Heritage Museum's First Annual Gala is a unique celebration and presentation of six years of growth, preservation, community impact, and education. Please joining us for this inspiring event, meeting our accomplished Vietnamese Americans, and listening their stories, and helping VHM to reach our 2022 goals!

The VHM gala will also celebrate the Asian Pacific American Heritage Month of May by exploring the history, arts, and culture; and paying tribute to the generations of Vietnamese who have enriched American history and instrumenting its future success.

About Vietnamese Heritage Museum (VHM)

VHM is a non-profit 501(c)(3), based in Orange County, California. VHM is dedicated to the preservation and exhibition of our Vietnamese refugees' heritage. The organization has striven to bridge the generation Z and the public by collecting and sharing the testimonies, artifacts, as well as the cultural memorabilia that reflects the stories of the Vietnamese refuges.

VHM has an official YouTube channel, the website http://vietnamesemuseum.org/, the museum archives with countless oral histories, digital collections, and the memorial walls. This unique platform allows family members to submit and search for their loved ones who have lost their lives during their journey to freedom.
